

CURRICULUM VITAE

1. **Name Surname: Hatice Dilek Arsoy**
2. **Title : Prof. Dr.**
3. **Education and work status**

Degree	Department	University	Year
High school	Biyology	Bursa Kız High School	1982
Bachelor	Ankara University Faculty of Veterinary Medicine	Ankara Üniversitesi	1988
Master of Science	Ankara University Faculty of Veterinary Medicine	Ankara Üniversitesi	1988
PhD	Ankara University Graduate School of Natural and Applied Science. Department of Animal Science	Ankara Üniversitesi	1995
Health expert	Nuclear Biotechnology	Turkish Atomic Energy Agency.	2000
Post Doc.	Department of Herd Health and Reproduction, Laboratory training of Radioimmunoassay and Ultrasound Techniques	Utrecht University, Faculty of Veterinary Medicine, Netherlands	2000
Associate professor	Animal Science	Turkish Atomic Energy Agency/title Near East University /position	2013
Professor	Animal Science	Near East University /position	2021
Near East University , Veterinary faculty , the head of the Animal Science	Near East University, Veterinary faculty	Near East University	2013-
Near East University, Agriculture faculty, the Head of the Animal Science	Near East University	2013-	
Near East University . Health	Near East University	2020-	

Vocational School, Lab.Vet. Health vocational school.		
Near East University, Veterinary faculty, the member of Executive Board	Near East University	2013-2021
Near East University, Institute of Graduate Studies, The head of the Animal Science	Near East University	2020-
Near East University, Agriculture faculty. The head of the Animal Science Department	Near East University	2023-
Near East University, The member of Animal experiment etic board	Near East University	2016-
Near East University, Agriculture faculty, the member of Executive Board	Near East University	2022-

5. PhD Theses:

Arsoy Basaran D.1995. Synchronization of Oestrous and the Possibilities of Improving Reproductive Performance by Exogen Hormone in Awasi Ewes. Ankara University.Turkey. Tez no:45849. TC Yüksek Öğretim Kurumu (YOK).
<https://tez.yok.gov.tr/UlusalTezMerkezi/tezSorguSonucYeni.jsp>

Adviser:Prof. Dr. Yücel Aşkın

5. Academic Titles:

Date of Assistant Professorship Dr.:1995

Date of Associate Proferssorship:2013

Date of Professorship: Akademik Unvanlar:2020

6. Supervised Master's and Doctoral Theses

Completed Theses

Master:

6.1. Josefhat John Paul, 2023. Consumer awareness related to the effects of animal production techniques and welfare on food quality. Near East University / Institute of graduate studies. Animal Science department. Supervisor: Prof. Dr. Dilek Arsoy.

6.2 Sunday Peter George, 2023. One Welfare and one health, consumer awarenee analysis related to animal based products. Near East University / Institute of graduate studies. Animal Science department . Supervisor: Prof. Dr. Dilek Arsoy

Completed Thesis

Ph.D.

6.3. Betmezoğlu M. 01.07.2022. The Investigation of the PRNP Gene Polymorphisms in Ovis aries aries and Capra hircus. Near East University / Institute of graduate studies. Moloculer medicine. Supervisor: Doç. Dr. Mahmut Çerkez Ergüven , Prof. Dr. Dilek Arsoy.

7.Duties:

Work title	Place of work	Year
Veterinary Medicine Research assistant	Ankara University, Agricultural faculty, Department of Animal Science	1989
Dr. Veterinary Medicine, Research Asistant	Ankara University, Agricultural faculty, Department of Animal Science	1995
Dr. Veterinary Medicine, Researcher	Turkish Atomic Energy Agency /Sarayköy Nucleer Research Center, Department of Nucleer Biotechnology	2000
Dr. Veterinary Medicine , Health Expert	Turkish Atomic Energy Agency, Department of Radiation Protection and Research and Coordination	2008
Dr. Veterinary Medicine, Health Expert, Assos. Prof.	Turkish Atomic Energy Agency /Sarayköy Nucleer Research Center Research and Coordination.	2013
Assos. Prof.	Near East University, Faculty of Veterinary Medicine	2013
Professor	Near East University, Faculty of Veterinary Medicine	2020

8. Undergraduate and graduate level courses.

Year	Period	Name of Course	Hours of courses	
			Theoretical	Practise
2013.-2020	Fall	Turkish courses		
		Graduate courses		

		Animal Science I	2	1	
		Animal Health economy	2		
		Cat and Dog Breeding	1		
		Animal Welfare	1		
		Master of science and Ph.D courses			
		Advanced Animal Production	2	2	
		The introduction of Animal production	2	2	
		Graduate courses			
	Spring	Animal Breeding	1		
		Animal Science II	2	2	
		Internship Animal Science practise		30	
		Graduation thesis	70 student		
		Animal Science and welfare	3	1	
		Master and Ph.D.	3		
		Advanced goat and sheep breeding	2	2	
		Animal welfare,right and stress	2	2	
2013.-2020	Fall	English Courses			
		Licence			
		Animal Science I	2	1	
		Animal Health Economy	2		
		Dog and Cat Breeding	1		
			Animal Welfare	1	
			Master and Ph.D.	3	
			Advanced Animal science	2	2
		Spring	Licence		
			Animal Breeding	1	
			Animal Science II	2	2
	Internship Animal Science practise			30	
		Master and Ph.D.			
		Animal welfare,right and stress	2	2	
		Graduation thesis	4		
		Advanced goat and sheep breeding			
Before 2013	Fall	Animal Health	2		
		Reproduction Biology	2		
		Obstetrics and gynecology	2		
			Biological effects of radiation	3	
	Spring		Principles of Radiation protection	3	
			Animal Breeding Principles	2	

9. Projects

- 9.1.** NEU-DESAM:SAG 2017-2020, 01-029. Effects of Deep-Frying Palm oil and Exercise on Sperm and Biochemical Parameters in Mice. Journal of Oil Palm Research.
- 9.2.** NEU-DESAM:047.2016-2019. A Predigestion process applied to wheat straw to increase its water soluble mass .
- 9.3.** NEU-DESAM. 2016-2019.04048. Ref No:CE422-2016. Effects of frying oils on spermatozoon parameters and protective effects of probiotics.
- 9.4.** NEU- BUP: SAG-2019-2-019, The Investigation of the PRNP Gene Polymorphisms in Ovis aries aries and Capra hircus.Project coordinator.
- 9.5.** TAEA-CERN Project, 2010-2013, TAEA coordination of project.
- 9.6.** TAEA Project: TAEA Project: VF-01-TAEK1. Biohidrogene Production from Bacteria and Algi-2005-2009. Algi production .Sub coordinator for Algi
- 9.7.** To increase yield in Dairy Cattle by Using of Biotechnology DPT:98K120230.1998-2010.Researcher
- 9.8.** TAEA Project. AP2.B.7. Using Nuclear and Biotechnology Technique in Animal Health and Productivity, .Investigation of the Effects of PRID+ PGF2 α +PMSG and Ovsynch on Follicular Dynamic in Cyclic Cow Which can not been Observed Their Estrous 2004-2006. Researcher.
- 9.9.** Science and Technology Strategies to Vision 2023. Turkish Science Acedemia. Moloculer Biotehcnology Project, Animal Science panel. Panelist. 2003.
- 9.10.** Feeding Strategies and RIA To Increase Dairy Cattle Production. TAEK. T.C.Project:TUR/5/021. 1999-2001. Researcher.
- 9.11.** TAEA-TSTRC Project: F.2.2.2/1512. The Variation of Estrus in Endocrinological Levels and Behavior in Akkaraman Ewes throughout the Year.1999-2002. Project coordinator.
- 9.12.** TAEA Project. F.2.2.4. Evaluation of Reproductive Performance by Hormonal Parameters in Awassi Sheep.1999-2002. Researcher.
- 9.13.** TAEA.-IAEA. T.C. Project: TUR/5/021. Feeding Strategies and RIA to Increase Dairy Cattle Production. In Turkey, 1999-2002. Researcher.
- 9.14.** MARA-A.U. Project. Effect of Dietary B –Carotene on the Animal Performance and Fatty Acid Composition of Adipose Tissue of Calf. 1996-1998. Researcher
- 9.15.** Reproductive Performance of the Jenny Donkey. A.Ü.- Agriculture faculty. Department of Animal Science./Humbold Universitat Zu Berlin Institut Fur Grundlagen Der Nutztierwissenschaften. 1994-1997.Researcher

9.16. A.U. Research Fund Project. Synchronisation of Oestrous by Exogen Hormone application in Akkaraman Sheep Under Poor Conditions and the Possibilities of Improving Reproductive Performance. 1992-1994. Project coordinator.

9.17. A.U. Research Fund Project: Synchronization of Oestrous by Exogen Hormone Application and The Possibilities of Improving Reproductive Performance in Awassi Sheep.1993-1995 Project coordinator.

10. Project Proposals

10.1. Improvement of Animal Productivity in Turkey by Manipulation of Nutrition in utero to Alter Gene Expression . Research Contract Proposal. To International Atomic Energy Agency.

10.2. Characterization of Some Indigenous Small Ruminant Breeds Genetic Resources in Turkey Research Contract Proposal. To International Atomic Energy Agency.

10.3. Food Quality Assurance Schemes in the Candidate Countries:Turkey (FQAS-TURK) A response to Invitation to Tender J05/12/2008 EUROPIAN Commission Directorate General; To Joint Research Centre Institute for Prospective Technological Studies, Seville.

10.4. European Commission Innovation and Change in Education VII. EuropeAid/151989/DH/ACT/CY Conscientious Hands: Livestock Producers Care, Hygiene and Health Training Project. 2017. Project coordinator.

11. Training and certifications :

10.1. 01.11-31.12.2000 : RIA Tecniques. (T.C:TUR 5/021).Utrecht University, Faculty of Veterinary Medicine, Department of Herd Health and Reproduction, Netherlands

10.2. 2005-2006 : 6. and 7. E.U. Framework information program training

10.3. 11-12 April 2006 : Quality management system internal audit

10.4. 27-30 March 2006 : ISO 9001 Quality Management System Standard and Documentation

10.5. 30 June 2006 : Meeting on sustainable development approaches for Turkey in the E.U.all environmental accession process.

10.6. February 2006 : Conference on the role of environmental NGOs in Turkey in the EU. Non-governmental accession process E.U.-NGO dialogue.

10.7. January 2006 : Workshop on practical implementation of the new E.U.directives on access non-governmental institutions 25 REC establishment to Turkey information and public participation

10.8. 02. June.2008 : The importance of EQ

10.9. 09. June .2008 : Time management

10.10. 12-13.May 2008 : Trainings of coach (Leadership and team spirit)

10.11. 28 April 2008 : Protocol rules

10.12. 15 April 2008 : Stress management

10.13. 10 Marc 2008 : Human Relations and Communication

10.14. 18.Marc 2008 : Motivation and team work

10.15. 19.February 2008 : Preparation of effective report technique

10.16. 11-15 February.2008 : Trainee training of trainers

10.17. 16-18.April 2008 : Radiation protection in industry

- 10.18.** 4-6 June 2008 : Radiation protection in medicine
10.19. 17.May 2010 : Conflict Management
10.20. 27.May. 2010 : Ethics training
10.21. Sept. -Dec. 2011 : (100 saat) Project Management Program and Microsoft Project Program
10.22. 11.May.2012 :Strategic Planning Techniques
10.23. November 2020 :ISO 2200 Food safety management systems.
10.24. November 2020 : ISO 22000 CQI ve IRCA ISO 22000:2018 Lead Auditor, Food safety Management System) (PR359)
10.25. 06.07.February 2021 :ISO 22000:2018 Food safety management system documentation training
10.26. 10.06.2022: :ISO 19011:2018 Quality management system internal audit.
July-August.2023: FAO(LEAP) Guidelines for quantitative assesment of livestock's impact on biodiversity training.
01-07-17.06.2023: EFSA More welfare I,II,III. Towards new risk assesment methodologies and hormonized animal welfare in EU.
2023-2024. Ankara Üniversitesi Teknokent Agri girişim Tarım Gıda ve Hayvancılık Sektörü Prototip Geliştirme ve Ticarileştirme Programı. 60 saat + 15 saat mentör eğitimi.

11. Administrative Tasks :

- 11.1.** Near East University Faculty of Agriculture. Animal Science department founder and department head 2021
- 11.2.** Founder of Near East University zootechnical master's and doctoral programs 2019.
- 11.3.** Near East University Vocational School of Health Services, Laborant veterinary Vocational School, Department coordinator- 2019.
- 11.4.** Near East University, Faculty of Veterinary Medicine, Head of Animal Science and Animal Nutrition Department, 2013-
- 11.5.** Near East University Faculty of Veterinary Medicine Department of Animal Science Head 2013-
- 11.6. Near East University Faculty of Veterinary Medicine Board Member 2013-2020**
- 11.7. Member of Near East University Faculty of Veterinary Medicine Faculty Board 2013-**
- 11.8.** Near East University experimental animals local ethics committee member 2015-
- 11.9. Near East University Veterinary Faculty Education commission, 2013-**
- 11.10.** Turkish Atomic Energy Agency, European Nuclear Research Center (CERN)-Turkey joint project commission member and project coordination group head.2011-2013
- 11.11.** Turkish Atomic Energy Authority board of directors general secretary, 2011-2012

11.12. Turkish Atomic Energy Authority, Education Commission- member, 2010

11.13. Turkish Atomic Energy Authority, Strategic Plan Working Group, 2012

12. Memberships to Scientific and Professional Organizations :

12.1. Ankara Chamber of Veterinarians, member

12.2. Veterinarians Association, member of public health working group

12.3. Association of Veterinarians for Animal Rights, founding member

12.4. Radiation Protection Association, member

12.5. Food Safety Association, member

12.5. Farm Animal Physicians Association, member.

12.6. Agricultural and Food Ethics Association, member

12.7. Cyprus Turkish Chamber of Industry Committee to increase sheep and goat milk and use it in the production of halloumi for commercial purposes, Member.2019

12.8. Republic of Turkey Ministry of Food, Agriculture and Livestock Biosafety committee expert-2015

13. Technical Consulting

13.1. TRT GAP Television Agricultural Calendar Program. 1992-1994

13.2. Orköy chinchilla breeding program. 1998-1999

13.3. TRNC Animal Breeders Association 2014-

13.4. Agricultural implications for Ecosystem Based Adaptation (eba) to Climate Change in Steppe Ecosystems-Livestock and grazing integration on steppe ecosystems principles and benefits. Reference: DOGER/AIEBA/TR2012/0740.14-2/GRA/024.Food and Agriculture Organization of the United Nations.2018. Local Expert.

A7a.1.3. Koluman N., **Arsoy D.**, Göncü S., 2018. Developing and Implementing A Plan for Marketing Goat Meat inTurkey.10. International Animal Science Conference Book of Proceedings. Zootechnical Federation 2018. 25-27.October Antalya Turkey. Oral presentation. Full text.

A7a.1.4 Arsoy D. 2019. Results and Solution Suggestions of Animal Production Methods and Approaches in the Context of Food Ethics. Talug C., Yalım N.Y., Ataman P., Kurtoğlu A. (Ed) 2nd International Congress of Agriculture and Food Ethics. ISBN:978-605-80738-3-8, pp:147-158. 24-25 October, Izmir, Turkey. Oral Presentation.

A7a.1.5. Arsoy D., 2019. Welfare criteria in sheep and goats and their relationship with health. 4th national - 1st international sheep and goat health and management congress, Book of Proceedings. P:90-98. 3 – 6 November. Elexus hotels & resort Kyrenia / Turkish Republic of Northern Cyprus

A7a.2. Papers presented at international scientific meetings and published in the proceedings book

7a.2.1. Eliçin, A., Karakaya, A., **Arsoy Başaran, D.**, 1995. Synchronization Parturation in White Goat with Low Dose Prostaglandin F2 α . Book of Abstracts of the 46th Annual Meeting of the European Association for Animal Production. Number: S 1.8, p.274, September 4-7, Prague, Czech Republic

7a.2.2 Cengiz, F., Karakaya., A., **Arsoy Basaran D.**,1995. Effects of Using Low Dose of Prostaglandin F2 α and Some Environmental Factors on Growth and Development of Akkeçi Kids I.Live Weight and weight gain. Book of Abstracts of the 46th Annual Meeting of The European Association for Animal Production. Praque, Czech Republic, 4-7. September,p:274

7a.2.3. Cengiz, F., **Arsoy Basaran D.**, Karakaya, A., 1995. Effects of Using Low Dose of Prostaglandin F2 α and Some Environmental Factors on Growth and Development of Akkeçi Kids. II. Body Measurements. Book of Abstracts of the 46th Annual Meeting of The European Association for Animal Production . Praque, Czech Republic,4-7 September.

7a.2.4. Arsoy Basaran D., Aşkın,Y.,1996. Synchronization of Oestrous by Exsogen Hormone Application and The Possibilities of Improving Reproductive Performance in Awasi Sheep. Book of Abstracts of the 47th Annual Meeting of The European Association for Animal Production,lillehammer,Norway,25-29 August,p:226 *Doktora tezinin özet bildirisidir II.Animal Science Symposium of Marmara Area. 1995.Uludağ, October 25- 27.Kirazlıyayla –Bursa- Turkey. P: 38

7a.2.5. Arsoy Başaran D., Dellal G.,1996. Synchronization of Oestrous and the Possibilities of Improving Reproductive Performance by Using Progestagen and PMSG in White Karaman Ewes. Book of Abstracts 47th Annual Meeting of the European Association for Animal Production.

Number: S 4.8,p:223.August 25-29, Lillehammer, Norway. II. Animal Science Symposium of Trakya Area , January 9-10 Tekirdağ- Turkey,p:29-234

7a.2.6. Arsoy Başaran D., Karakaya A., Bilgiç N., Aşkın Y.,1996. Effective Doses of Prostaglandin F₂ α for Induction of Parturation in Angora Goats. Book of Abstracts 47th Annual Meeting of the European Association for Animal Production. Number: S 4.28, p.233, August 25-29, Lillehammer, Norway.

7a.2.8. Arsoy Başaran D., Aslan S., Dellal G., 2000. Ultrasonographic Study of Ovarian Follicular Dynamics in Super ovulated and Nonsuperovulated White Goats. 7th International Conference on Goats, p 480.May 15-21.France

7a.2.9. Arsoy Başaran D.2000. Diagnosis of Ovulation Rate, Embryonic and Fetal Development by Transrectal Ultrasonography in The White Goats. 7th International Conference on Goats, p:482.May 15-21.France.

7a.2.10. Arsoy D. 2014. The Variation of Estrus in Endocrinological Levels and Behaviour İn Akkaraman Ewes Throughout The Year. Days Of Veterinary Medicine -2014. 5-7 September. International Scientific Journal Macedonian Vet. Rev. 2014;37, Suppl.No 1.Ohrid-Macedonia

7a.2.11. Arsoy D. 2016.Ultrasonographic study to detect the ovarian response in super ovulated and nonsuper ovulated oestrus synchronized goats.12. International Conference on Goats.23-30 september.Antalya -Turkey

7a.2.12. Betmezoglu M.,Arsoy D., 2016. Apis melliferacypria Morphological Characteristics and Interaction with Other Breeds Bee . 5th International Muğla Beekeeping and Pine Honey Congress P6.poster.1-5 November.Muğla-Turkey

7a.2.13. Arsoy D. 2016. Holistic Management Approach in Red Meat Production. International Congress on Food of Animal Origin"Industry Partnership" 10-13.November. TRNC.

7a.2.14.Arsoy D. 2017. Marketing Management of Sustainable Ecological Animal Production International Balkan and Near Eastern Social Sciences Congress Series.08-09 April, Russe Bulgaria

7a.2.15. Arsoy D., Çelik M., Koluman N., Kayaalp T., 2018. Lactation performance and milk traits of local sheep and goat breeds of Cyprus.5th International conference on sustainable agriculture and environment (5thICSEA) October 8-10.Hammamet,Tunisia.Poster presentation..

7a.2.16. Arsoy D. and Aktürk D. 2018. Based on farm welfare assessment of dairy goat enterprises in Northern Cyprus by using breeding, health, reproduction and bio security parameters.3.International Multidisciplinary Studies Congress. October 5-6 .Kiew, Ukraine. Summary. Oral presentation.

7a.2.17. Betmezoglu M. and **Arsoy D.**, 2018. The Present of Scrapie and the Result of Breeding Program in Europe and Cyprus International Congress on Domestic Animal Breeding, Genetic and Husbandry. September 26-28. Antalya, Turkey.. Oral presentation

7a.2.18. Arsoy D. 2019. Herd management and welfare assessment of dairy goat farms in Northern Cyprus by using breeding, health, reproduction and biosecurity indicators. 4th national - 1st international sheep and goat health and management congress, Book of Proceedings. P:108-110. 3 – 6 November. Elexus Hotels & Resort Kyrenia / Turkish Republic of Northern Cyprus

7a.2.19. Sayiner S., Gülmez N., **Arsoy D.**, Fındık A., Gülmez M., Ceylanlı D. 2019. The consequences of deep-frying palm oil consumption on blood lipids, lipid peroxidation and spermatological parameters in mice: Could kefir be protective against possible adverse effects?.2* International Conference On "Veterinary Biochemistry And Clinical Biochemistry: Advances And Challenges In Understanding The Mechanisms Of Diseases" Oral presentation 6. October 24-26, 2019, Ankara / Turkey

7a.2.20. Arsoy D., Koluman N. 2021. Sheep and Goat Breeding in Cyprus (North (TRNC) And South) and The Effects and Importance of Geographical Indication of Halloumi/Hellim On This Breeding. II. International Livestock Studies Congress Book. 29-31.10.2021. Lara- Antalya .”Oral presentation”

7a.2.21. Koluman N., **Arsoy D.**2021. Sustainable Meat Production in a Changing Mediterranean Environmental Area in the COVID-19 Pandemic Era. II. International Livestock Studies Congress Book. 29-31.10.2021. Lara- Antalya .”Oral presentation”

7a.2.22. Arsoy D. 2021. Management of sustainable ecological sheep and goat breeding and marketing. International scientific practical conference on the subject of “Modern problems and innovative conceptions of animal husbandry” Scientific Research Institute of Animal Husbandry under The Ministry of Agriculture of The Republic of Azarbaijan. December 22-24, Goygol, Azerbaijan. “Oral presentation”

7a.2.23. Arsoy D, Aktürk D., Aydın B. 2022. Assessing dairy goat welfare in Saanen and hair goat farm in intensive and semi-intensive farming conditions in the North Egean(Turkey) 8th International Erciyes Conference on Scientific Research. October 1-2, 2022 / Kayseri, Turkey

7a.2.24. Arsoy^oD, Abdourhamane İ.M. 2023. Morphological Characterization of Indegenous Northern Cyprus Native Hair Goat Breed in the Pastoral Farming System. 5. National 2. International sheep-goat health and management congres.27-30 April 2023. Marmaris Türkiye. Poster

7a.2.25. Arsoy D. Aktürk D.2023. Evaluation of Herd Management and Animal Welfare Parameters in Saanen and Hair Goat Enterprises .5. National 2. International sheep-goat health and management congres.27-30 April 2023. Marmaris Türkiye. Oral presentation

7a.2.26. Uygun, İ. & Arsoy, D. 2023. A Two-Pronged Approach to Climate Change and Crop-Livestock Production. IV-International Rural Areas and Ecology Congress Within The Framework of Sustainable Development, October 05-06, 2023 / Girne-Turkish Republic of Northern Cyprus.

7a.2.27. Arsoy D. 2023. One Health and Food Ethics. TARGED 4. International Agriculture and Food Ethics Congress . 16-17. November. Ankara, Türkiye .

7.a.2.28. Arsoy D. A. Abdourhamane İ.M.2023. Morphological Characterization of Cyprus Fat-tailed Sheep Breed using quantitative and qualitative trait analysis 3rd International Livestock Science Congress November 14-15, 2023. Ankara, Türkiye.

14.A7a.3. Being a documented invited speaker in international scientific meetings and papers published in the proceedings book

7a.3.1. Arsoy Başaran, D. Aşkın, Y., 1995. Synchronization of Oestrous by Exogen Hormone Application in White Karaman Sheep and The Possibilities of Improving Reproductive Performance Under Poor Conditions. Book of Abstracts of the 46.th Annual Meeting of the European Association for Animal Production. Number: S 4.6, p:242, September 4-7, Prague, Czech Republic.

7a.3.2. Arsoy D., 2014 Animal Welfare in Dairy Cattle Farming. Congress of Dairy Herd Health and Management Congress.. 22-25 May, 2014. Bafra, TRNC.

7a.3.3. Arsoy D., 2019. Welfare criteria in sheep and goats and their relationship with health. 4th national - 1st international sheep and goat health and management congress, Book of Proceedings. P:90-98. 3 – 6 November. Elexus hotels & resort Kyrenia / Turkish Republic of Northern Cyprus

14.A7b. Peer-reviewed scientific events with a national scientific board

A7b.1. Paper presented at the National Event and printed with full text

A7b.1.1. Karakaya A., Arsoy Basaran D., Eliçin, A., 1996. Synchronization of birth using dexamethasone, Ritodrin hydrochloride and oxytocin in sheep. Trakya Region II. Livestock Symposium. S210-216. 8-10 January. Tekirdag Turkey.

A7b.1.2. Dellal G., Arsoy Basaran D., Karakaya A., 1996. Environmental methods applied to improve fertility in ewes and possibility of putting into practice of this methods in Turkey. National Congress of Animal Production, İzmir-Turkey. 18-20 September. P:176-185

A.7b.1.3. Dellal G., Karakaya A., Arsoy Basaran D. 1997. Fotoperiodic Control of Reproduction in Sheep and Goats. II. Animals Symposium of Trakya Area, January 9-10 Tekirdağ-Turkey, P:253- 255

A.7b.1.4. Arsoy Başaran D., 1998. An Important Infection Disease in Fur-Bearing Animals. I. Scientific Symposium of Fur-Bearing Animals, 19-20 March Ankara-Turkey

A.7b.1.5. Arsoy D., Kaymakçı M., Ataç F., 2014. TRNC Livestock Production: Problems and Solution Proposals. Water, Environment and Agriculture Congress Book. P:153-161. 20-21 February Nicosia, TRNC.

A.7b.1.6. Kaymakçı M, **Arsoy D.**, Ataç F. 2014. TRNC Agriculture: Problems and Solution approaches. Water, Environment and Agriculture Congress Book.P:161-172.20-21 February Nicosia, TRNC.

8.b.3. Saban.E., **Arsoy Başaran,D.**, 2002. Evaluation of Reproductive Performance in Awassi Sheep by Hormonal Parameters.F.2.2.4.TAEA Proje. Result Report .

C. Contribution to Education

19.f. Undergraduate graduation projects

50 undergraduate graduation projects have been completed.

21. 1 point for each international credit of the course given in the last two years, excluding the normal course load of 10 hours:

30 credits

F. Other Events

F. 44. Scholarships received for scientific research for more than one month after undergraduate education.

1. Turkey Atomic Energy Scholarship with Department of Herd Health and Reproduction, Utrecht University, Faculty of Veterinary Medicine, Netherlands.2000.

F. 45. To be assigned to science commissions or working groups established within the Ministry, public institutions.

1. Turkish Atomic Energy Authority, 2014-2018 Strategic plan commission member
2. T.R. Ministry of Food, Agriculture and Livestock Biosafety Board, Expert, 2015-T.C.Gıda Tarım ve Hayvancılık Bakanlığı Biyogüvenlik Kurulu, Uzmanı, 2015-3Izmir Chamber of Veterinarians Veterinary Public Health Working Group member 2015-

F. 46. Other Publication

46.1. Arsoy D.,1998. Melatonin usage possibilities in Turkey –Sanofi Doğu İlaç.

46.2.Arsoy D. Serpen A. 2022. Nuclear Technology and Veterinary Public Health. Veteriner Hekimler derneği Bülteni. Sayı 19.syfa 32.

F. 47. Organizing scientific meetings and taking part in the evaluation board

a.2.1. Herd health and management congress in dairy cattle enterprises. 22-25 May, 2014. TRNC /organizing board member

a.2.2. Herd health and management congress in dairy cattle enterprises. 22-25 May, 2014. TRNC/ scientific committee member

a.2.3 12th International conference on goats 25-30 September 2016.Antalya, Türkiye./ organizing board member

a.2.4. 2.National 1st International Sheep Goat Health and Management Congress 4-7 November 2019. Organizing board member

a.2.6. 2nd International Congress of Agriculture and Food Ethics 24-25 October 2019, Scientific Committee Member.

a.2.8.5. National -2.International Sheep-goat health and management Congress. 27-30 April 2023. Bilim Kurulu Üyeliği

a.2.9. 4.nd International Congress of Agriculture and Food Ethics 15-16 November 2023, Scientific Committee Member.

F. 49.

a. Board and commission memberships in university units

- a.1. Member of Near East University Experimental Animals Local Ethics Committee 2016-
- a.2. Near East University Faculty of Veterinary Medicine Education and Training Commission 2015

b. Administrative duty lasting at least two years

- b.1. Near East University Faculty of Veterinary Medicine, Department of Animal Husbandry and Animal Nutrition, 2013-
- b.2. Member of the Board of Directors of Near East University Faculty of Veterinary Medicine, 2014-2020
- b.3. Near East University Faculty of Veterinary Medicine, Faculty Board Member, 2014-
- b.4. Near East University Faculty of Agriculture. Founder and Head of Department of Animal Husbandry 2023
- b.5. Near East University postgraduate institute of zootechnics Ad. Founder and chairman 2020-
- b.6. Near East University Faculty of Agriculture. Member of the Board of Directors 2022-
- b.7. Near East University Vocational School of Health Services, Lab.Vet. Vocational School Head of Department 2020-
